New Road markings and Parking restrictions

Dear Parents and carers,

You will have noticed that new road markings have been installed outside of school. These were put in by Bradford Council to keep all children safe on their journeys to school. This is in response to dangerous and inconsiderate parking that has been observed and the congestion and pollution outside of school.

- No parking on the Zig Zag lines at any time
- No parking on the yellow lines between 8:30 and 4:00 between 1st September and 31st July.
- 2 disabled bays for blue badge holders **only**
- No parking on pavements

Whilst I realise that this has reduced available parking directly outside school, the Local Authority's solution to the traffic issues are intended to keep children safe. Most of our families live within reasonable walking distance and the healthy option would be to walk to school.

For those of you who have to drive your children to school, please park at the bottom of Scotchman Road or in nearby streets and walk the final stage of your journey.

For those who have children with a blue badge, the disabled bays have been relocated to the right of the main entrance. **Please be considerate and leave them for the children who need to use them.**

I apologise for not informing you prior to the installation of the road markings but we were not notified by the council.

Yours sincerely,

Lorraine Martin
Headteacher

Margaret McMillan Primary School is a member of The Priestley Academy Trust (a multi academy trust) which is a Company Limited by Guarantee, registered in England and Wales, company registration number 10410830. The registered address is Green Lane Primary School, Green Lane, Bradford, BD8 8HT
