Writing

The areas that we will be covering this term are:

- ◊ Littenose
- ◊ Ancient Greek Gods
- ◊ Theseus and the Minotaur.
- ◊ Our writing objectives are:
Questions, conjunctions and sentence openers
- ◊ We will also be focussing on the use of cursive handwriting, correct spelling and different punctuation.

Maths

This term we will be looking at:

- ◊ Reading, writing and partitioning three digit numbers
- ◊ Mental addition and subtraction of single digit numbers
- ◊ Multiplication and division
- ◊ Using models and images
- ◊ Investigating and explaining

Our topics are:

History : What makes the Greeks so groovy? (Modern and Ancient Greeks)

This term we will be learning about the differences between modern and ancient Greeks as well as the climate and landscape of the country. This links to our literacy work which will first be focused on reports about Greek gods and mythical creatures and then on the myth Theseus and the Minotaur.

Science : How did that blossom turn into an apple tree? (Plants)

The children will be looking at the different parts of plants and labelling a flower. They will also be learning about the life cycle of plants and how each plant's seeds are dispersed. Our trip will also be linked to this topic!

Key Stage 2 changes!

Now your child is in Year 3 there are a few changes you need to know about.

Children are no longer given free fruit, however, toast and fruit can be bought by the children at play-times. **Fruit is 25p and toast costs 15p.**

There are no sinks in the class-rooms so children **must** bring a water bottle filled with tap water. These must be clearly labelled with your child's name.

Ways to help your child

- ◊ Read with your child every day
- ◊ Help your child learn their 2, 5, 10, 3, 4 and 6 times tables.
- ◊ Make sure your child eats a healthy breakfast before school every day
- ◊ Make sure your child gets the recommended 10.5 hours of sleep a night.
