### Be a maths investigator!

Write down the answers to each times table eg 4 8 12 16 .....48

Look at the digit in the units column. What do you notice?

Can you see any patterns?

Can you make any predictions?

X TIMES TABLE GRID

### This weeks task!

Pick the times tables you are least familiar with or if you think you know them all try the mixed times tables games

### Get chanting!

Recite the tables as quickly as you can

Ask a family member to test you on random questions using the grid on the left.

### Get creative!

Design a game to help you learn the times tables.

Could you make a dominoes game?

Could you make a board game?

### Don't forget!

Can you complete the division questions as quickly as the multiplication ones?

Record your times and then try to beat your best time.
