Revisit	Misbehave
Defrost	Disappear
Decrease	Identity
Rebuild	Individual

Practise your spellings using these ways;

Use the 'wrong' hand to write out the spellings.

Look at newspapers, magazines and other reading material to see if you can find this week's spellings.

'Test' your family on your spellings. See if they can get more right than you!

Put the spellings in alphabetical order.

Write each spelling into a funny sentence. (Can you make someone giggle?)

Look at the word, close your eyes and write out the word. NO CHEATING!

Challenge members of your family to use each spelling in one sentence.

Rain forest

What is a rain forest?

Draw a rain forest with different trees, colourful plants and animals.

What do you think the weather is like in the rain forest?

Year 5

**Home learning mat:
Practice spellings everyday
Choose any other activities you would like to do**

Scientific Star Performer

Write and perform a rap all about forces.

Which forces do you know?

What scientific words will you use?

Could you make a dance to go with it?

How does your story end.....?

Read the story opening; what do you think will happen? Finish the story how you think it ends.?

He stood under the tallest tree he had ever seen. As he stood in awe, he was aware of the noises around him. Noises he hadn't heard before. Suddenly, he felt he was being watched...

Top story tips!

Don't forget to include must haves (capital letters, full stops, adjectives)

Why not plan it first? Draw your ideas, or jot them down. Remember to use the vocabulary you have been learning.
