

Activities 4

Can you have a Sports Day? An egg and spoon race using foil balls, a sack race using bags for life and a 'coconut shy' using plastic cups. What other activities can you do using things from around your house?

Supports physical development and turn taking with adults/siblings.

Can you make a game using toys you have at home?

We made a small pass the parcel using jigsaw pieces and built the jigsaw as we unwrapped each layer.

Supports shape, space and measure.

Can you mark make in different ways?

We drew pictures of animals we like and characters from books we like - A rhino and a giant from Jack and the Beanstalk.

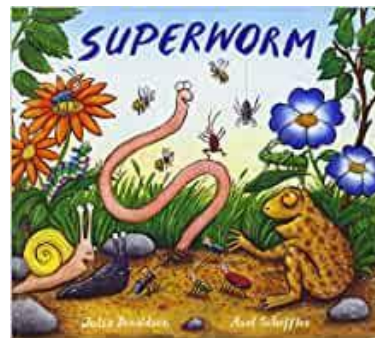

Supports writing and physical development.

Can you find the matching socks and put them together in pairs?

Supports pattern matching and physical development.

Can you look at books - hold them the right way up, turn pages carefully, talk about what is in the pictures?

Supports reading and speaking and listening
