

# Activities 5

Can you make a matching game? We drew around objects and matched them to the correct shapes.

Supports shape matching.

Can you make a scooping game?

We used porridge oats, spare cardboard boxes/tubes, scoops and spoons. Rice/sand/water etc are good too.

Supports physical development and problem solving.

Can you make a toy wash? We used washing up bubbles, oven trays, toy animals and paintbrushes. You could also use sponges and cloths and your choice of toy/s.

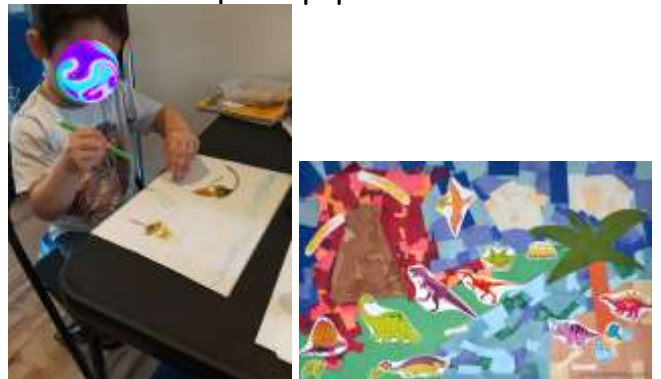

Supports imagination.

Can you talk about what day it is? What is the weather like today? Can you remember the days of the week song from nursery and sing it?

Supports understanding of the world.

Can you make a picture using different items? We stuck down dried dandelions and drew a picture around them. You could also use scraps of paper or stickers.

Supports writing and art and design.
