Year 5

Home learning mat:

**Practice spellings everyday
Choose any other activities you would like to do**

Science:

Observe shadows and draw them in your garden over the course of the day.

Explain why the shadows have changed position throughout the day linking to the Sun and the Earth. Create a rap about the solar system.

Now you have created your own hero/ heroine and your own setting...

Write a story!!!!

What could happen to your character in your setting?

Does it involve another character?

Is there a special item or object in your story?

What genre is your story? Horror? Adventure? Fantasy?

Does it have a happy ending or sad ending?

Can you create a story board for your story?

What about a comic strip?

Can you create puppets and act out your story?

Get someone to read it and give you something to improve!
