

Year 2

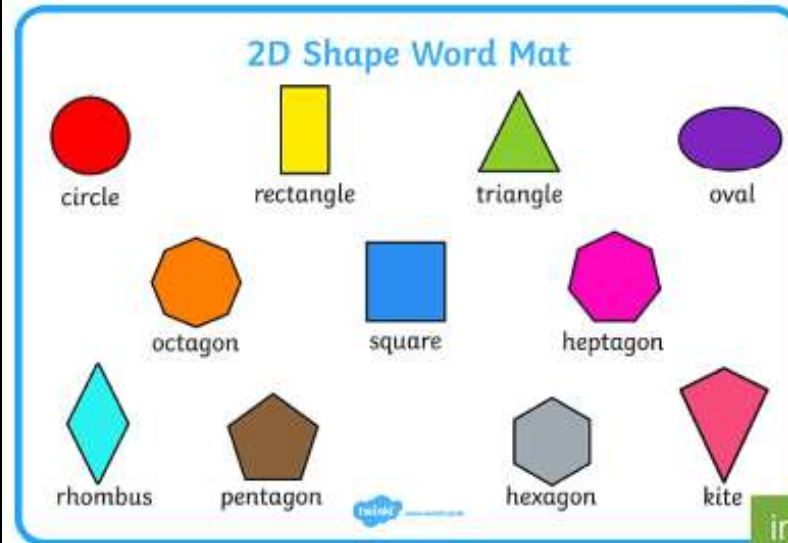

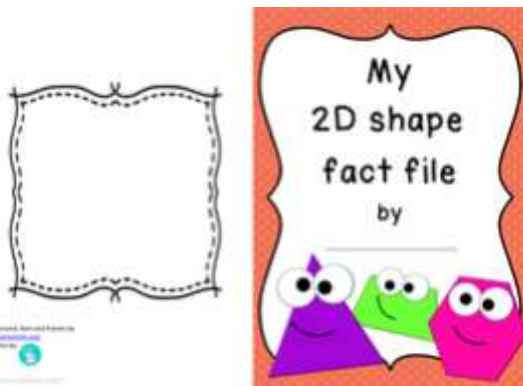

Learn by heart of the week: 2D Shapes

Shape fact file

Make a shape fact file.

On each page:

- ◆ Draw and colour each shape
- ◆ Write down its name
- ◆ Write how many sides it has
- ◆ Write how many corners it has
- ◆ Write down any other facts you have found out about each shape

Continue to use the websites below to help with your time tables:

Head off on a shape hunt

Go on a shape hunt around your house and any outdoor space. Find as many objects as possible and write them down.

	Triangle	<input type="text"/>
	Square	<input type="text"/>
	Circle	<input type="text"/>
	Heptagon	<input type="text"/>
	Pentagon	<input type="text"/>
	Octagon	<input type="text"/>
	Rectangle	<input type="text"/>

Create a piece of art by cutting out different shapes from different materials and gluing them together to create a masterpiece.

Duration 01:12
