

# Activities 9

Can you complete a challenge? You could find things in the house that are certain colours (we chose green & blue), do a number of actions, draw a picture or count to 10 or 20 etc

Supports problem solving

Can you explore colours? We froze paint and mixed up different colours. You could also do a colour hunt, sort your toys into their colours or play colour I-Spy.

Supports art and design & understanding of the world.

Can you make marks in different ways? We had an empty box so we decorated it with our pictures.

Supports writing and physical development.

Can you help to bake or cook? We made gingerbread biscuits using this simple recipe - <https://www.bbcgoodfood.com/recipes/gingerbread-men-0>

Supports following instructions.

Can you do some counting? We counted the number of buttons on gingerbread men. What can you count?

Supports maths.
