Make your own maths board game. Choose a layout for your board game and design a set of instructions on how to play your game. All questions must be maths related and based on the work you have been doing on the homework mats. Get creative and use your imagination!

Explain Your Reasoning!

Mart the alien says,

'If I know that 14 + 6 = 20, then I know how to quickly work out 20 - 6.'

How does Mart the alien know the answer? Explain your reasoning!
