Chanting Champion!

-Use this Stem sentence to chant:

‘One two is 2 twos are 4

- Can you chant backwards?

“12 twos are 24, 11 twos are 22...”

Challenge

Draw your own Waldorf multiplication flower for the 2 times table!

Start with the centre of the flower and write 2. Next, draw 12 petals around the centre,

labelling them 1–12.

Last, draw another 12 petals and write the product!

Use the 100 square or make your own:

How many numbers in the 2 timetable can you find?

Do you see any patterns?

Fill in your 2 time table and describe to someone in your home what you notice.

Can you make any links to another times table?

Get creative!

Write multiplication calculations down for the 2's times table and the answers.

Now create a game of hopscotch using the answers to the calculations!
