Challenges

Write out some multiples and see if a family member can tell you the times tables they belong to.

Can you beat their time?

Challenge someone older than you!

Use the 100 square or make your own:

Can you challenge a family member to find all the multiples of your chosen time table?

Can you find them faster?

Get creative!

Can you create a set of questions that challenge someone in your family based on multiples? Can they tell you what a multiple is?
