## Newsletter

24 September 2020

Dear parents and carers,

I would like to say a huge thank you to all of you who are doing your very best to support the school and your children during this very difficult time. Thank you for observing the new Covid measures, including keeping to our one-way system and opening times.

I know that for some of you this one-way system is irritating and causes additional time when you have to drop children at Reception/Nursery and elsewhere in school, but we are following government advice to observe social distancing measures.

Unfortunately like many schools across the country we have had positive cases of Covid-19 in school. Please be assured that we followed Public Health advice and sent children in the affected classes home as a precaution.

In line with Government advice we will be outside as much as possible, particularly during break and lunchtimes. **Please ensure that you send your child in suitable clothing for being outside in wet and rainy weather, including waterproof coats and shoes. We will be outside even if it is raining.**

We have posted Covid-19 absence guides on Weduc. They help you decide what to do if your child or anyone in your house has symptoms. Please help your community by isolating your household at home if anyone in your house has symptoms, including while you wait for the test results. If anyone in your household tests positive, you will all be asked to isolate. If you are unsure what to do please contact school and we can advise.

I will also be posting a Covid-19 update detailing the control measures we have in place as a school to Weduc and our school website shortly.

Thank you for your continued support,

Lorraine Martin  
Headteacher
